

CITY OF FALLS CHURCH

Thrills & Chills!

2012

Dear Parent/Guardian and Thrills & Chills Participant;

Welcome to our Thrills & Chills Amusement Park week! We are looking forward to a great week. To ensure a fun and successful week, you should remember a few things.

Most activities are outside, so sunscreen is extremely important. In an effort to maintain your child's safety, please remember to apply and bring sun block and insect repellent on a daily basis. Please wear tennis shoes and bring a change of cloths. Due to the nature of the camp, your cloths will often get wet or dirty. Most activities are in parks that do not allow outside food in. Please plan on bringing money to buy lunch and on the longer days, dinner as well. We strongly encourage campers wear tennis shoes as they may spend a lot of time walking around the parks.

Every effort has been made to plan activities that fit into the schedule listed on the following page. However, when participating in outside activities, events may occur beyond our control, such as weather and traffic. If such events occur, there is a possibility that your child may arrive after the designated arrival time. In this case, the counselors will contact the Community Center, and we in turn will contact all of you at your home phone number. If you are concerned about your child's arrival time, please feel free to contact the Community Center at (703) 248-5027 to see if the camp has returned.

If you have any questions, please do not hesitate to contact me at (703) 248-5307. We hope you will enjoy the various activities we have planned for your child.

Sincerely,

Amy Maltese, CPRP

Recreation Program Supervisor
